

IAS Wednesday Morning Meeting
13 November 1974

Mr. Allen reported on the Executive Council Meeting of 12 November:

1. Mr. Colby will try to get with Mr. Kissinger this week on "hold" items. There's some discussion over it from [redacted] point-of-view. There's also concern about the press links. 25X6
2. After checking with the Civil Service Commission the Agency will have to back off to age 65 to conform with policy. This will present some problems to many components where people are approaching 60. The DDI is actively considering whether to adopt a position on voluntary or involuntary retirement.
3. Mr. Colby asked that another paper be prepared on the Suez Canal problem. Looking at the scheduling of its opening and to review the primary political implications with some interest on the military. 25X1D
